You pointed out the drop of chocolate on my shirt  
Your unusual eating habits bring a smile to my face  
Something to remember me by you said  
Then you told me

Friends come to your rescue; They always do  
Friends come to your rescue  
Don't forget

**II: Db D E :II x 4**

So now I'm here for you now  
Even though I hardly know you after so many busy years  
Still I'm here for you now  
It's just like you told me

**II: E7 F#m7 A E7 F#m7 A :II x 2**

Friends come to your rescue; They always do  
Friends come to your rescue  
Don't forget

I'll give up a few unimportant things  
You could not say that I was torching a trail at this point  
To be there for you  
Is more important than than you know

Than you know.....Friends come to your rescue; Friends come to your rescue .....  
Don't forget
