A SECTION

D G D G D G F#m Em
You're a natural wonder and it's plain to to see; you make my world a wonder, naturally

D G D G D G F#m Em
You're a natural wonder and I know for sure; You bring so much joy and then a little bit more

Bm7 A G
And if we all come from the stars; how many collapsing constellations did it take

Bm7 Bbm7 Am7 G G#dim A
To beam you (us) just past Mars; All the quazars of the universe burning so bright in your (our) heart (s)

B SECTION

D G D G D G F#m Em
You're a natural wonder staring back at me; Your beauty shines on, infinitely

D G D G D G F#m Em
You're a natural wonder and I want you to know; Natural wonder I love you, so

Bm7 A G
If we all come from the seas; What Herculean wave did it take

Bm7 Bbm7 Am7 G G#dim A
To roll you in, to break free; All the tempests of the oceans are never going to shipwreck the,
