No matter how hard I try I just can't get to where I'm going to,

**Pulled my bike out of the hedge, put my pump on the frame; my foot onto the peddle and hear the snap of the chain.**

**Thought I would take a bus, thought I would take a train, Know I would take anything not to feel this way again.**

I've got the May Day, the Rainy May Day Traveller blues - No matter how hard I try I just can't get to .....

**Mid 8**

I've got the May Day, the Rainy May Day Traveller blues - No matter how hard I try I just can't get to .....
