

Sweet Nothings bossa nova Music/Lyrics: Max Warner - 1991/2016 v5 2019

Verse 1 (Am7 / D9 / Bm7 / E9)

Looking around I know I can see, a beautiful place for you and me;
Sweet nothings we gotta say or sweet nothing will come our way.

(Am7 / Bm7 / D9 – Am7 / Bm7 / Em7 – Am7 / Bm7 / Cmaj7)

We can be in love like we imagined,
We can find ourselves right here and right away,
We can share the magic if we can just say these,

Chorus (Am7 / D9 / Bm7 / E9)

Sweet nothings, sweet nothings,
Sweet nothings, sweet nothings,

Verse 2

Nothing is easier than loving you, nothing is quite so simple to do;
But a space opens up in between, in fall words that we say but don't mean.

We can be in love as we imagined,
We can find ourselves right here and right away,
We can share the magic we can make it happen;

Run down (Bm11 / E7b5 / Am11)

It's happening today,
Open up our hearts and say

Instrumental over verse x 2

Chorus

Sweet nothings, sweet nothings, Whisper Sweet nothings, sweet nothings,

Nothing is easier than loving you...
