

Beginning to see the light

Fm7 Bb7 Eb6 C#79 (Cm)
I never cared much for moonlit skies
Fm7 Bb7 F#m7 B7
I never wink back at fire - flies
Fm7 Bb7 Gm7 C7
But now that the stars are in your eyes
Fm7 Bb7 Eb6
I'm beginning to see the light

[Verse 2]

Fm7 Bb7 Gm7 C7
I never went in for afterglow
Fm7 Bb7 F#m7 B7
Or candlelight on the mistletoe
Fm7 Bb7 Gm7 C7
But now when you turn the lamp down low
Fm7 Bb7 Eb6
I'm beginning to see the light

[Bridge 1]

G7
Used to ramble through the park
F#7
Shadow boxing in the dark
F7
Then you came and caused a spark
B7 Bb7
That's a four-alarm fire, now

[Verse 3]

Fm7 Bb7 D# C#79
I never made love by lantern shine
Fm7 Bb7 F#m7 B7
I never saw rainbows in my wine
Fm7 Bb7 Gm7 C7
But now that your lips are burning mine
Fm7 Bb7 Eb6
I'm beginning to see the light
